Dear Mr Speaker

The Executive met today, 24 May 2007. We are writing to advise you on behalf of the Executive of three decisions made today.

The Executive agreed that the Minister for Enterprise, Trade and Investment would make an application to the Big Lottery Fund for funding for the Titanic Signature Project. The Executive agreed that the necessary match funding would be made available in the event that the bid was successful.

The Executive agreed that there would be a review of the Local Government aspects of the Review of Public Administration led by the Minister of the Environment. The Minister would prepare proposals for the Review for consideration by the Executive at a future meeting.

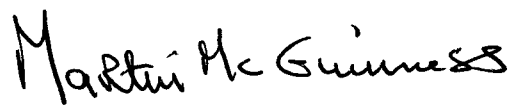

The Executive agreed that the Minister for Social Development would establish an inter-departmental group to consider the recommendations in the Review into affordable housing recently carried out by Sir John Semple.

Yours sincerely
