Dear Speaker

The Executive met today, 7 June 2007. We are writing to advise you on behalf of the Executive of the decisions taken.

The Executive agreed:

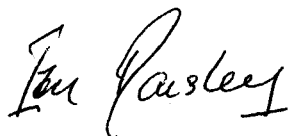

(a) the terms of reference for a review of the Domestic Rating System to be led by the Minister of Finance and Personnel and that the Minister should make a statement to the Assembly on Monday 11 June; and

(b) that the Minister for Regional Development should make a statement to the Assembly on the Review of Charging for Water and Sewerage services on Monday 11 June.

In addition the Executive noted that the Minister for Agriculture and Rural Development will make a statement to the Assembly on 11 June on the outcome of the review of Voluntary Modulation of direct single farm payments.

We would be grateful for arrangements to be made to facilitate these statements on 11 June and for the statement from the Minister for Agriculture and Rural Development to be scheduled

after the Minister for Finance and Personnel and before the Minister for Regional Development.
